Subject: Mirion Technologies NFMS User Group Meeting 2013 @ TU DELFT

Dear all,

Mirion Technologies is very pleased to invite you to the unique **NFMS User Group Meeting 2013 @ TU DELFT** (Technical University Delft in Netherland).

Please save the date of **April 10th – 12th 2013**. There is an upper limit of attendees for this unique event. Details and registration form will follow shortly. Please register as soon as you receive the registration form.

The **NFMS User Group Meeting 2013** will start in a nearby Hotel on Thursday 11.04.2013 with a full day of technical presentations related to **Mirion Technologies (MGPI H&B) GmbH ProTK NFMS** equipment. The advantages of using the pathbreaking digital software of the **ProTK** product family will be discussed on a high technical level.

The Agenda will be completed on Friday 12.04.2013 **@ TU Delft** with a detailed presentation of the reactor instrumentation upgrade with the ProTK NFMS equipment. Here you will the opportunity to experience the ProTK equipment in a live environment – a unique opportunity.

Best regards,

Roderik Wiedemeier
